INTRACOM IT SERVICES Group receives award for its international activity at the Greek ICT Forum

Peania, Athens, November 3, 2010 – INTRACOM IT SERVICES Group, the leading provider of integrated IT solutions and services in Greece, received an award for its successful international activity during the 12th Greek ICT Forum that attracted more than 2,500 participants. The award was presented to the Group by the Secretary-General for Communications of the Ministry of Infrastructure, Transport and Networks, Professor Socrates Katsikas.

“International activity, specialization and quality are the Group’s main priorities, as well as its competitive advantage” commented Mr. Nikolaos Labroukos, dep. CEO, INTRACOM IT SERVICES Group, when receiving the award. “We are extremely proud of the trust that hundreds of clients in 68 countries place in the Group when choosing our solutions and services. And the fact that 75% of the Group’s total revenue comes from our international activities is a solid proof of that. Maintaining and reinforcing our international presence is a challenge, as well as a great opportunity for the Group.”

During the last couple of years, INTRACOM IT SERVICES Group has considerably expanded its activity in the traditional markets of Europe and the Middle East, while successfully pursuing projects in new countries, such as New Zealand, Vietnam, Malaysia, Bermudas, Argentina, Kenya, Iraq, USA, etc. At the same time, the Group plans the opening of new offices in the Middle East region, as well as the expansion of its portfolio of solutions with new products and strategic partnerships.

###

About INTRACOM IT SERVICES Group

The INTRACOM IT SERVICES Group is the largest Greek IT Solutions and Services Group with strong international presence and international activities that contribute 75% to its total revenue.
